TERMS AND CONDITIONS

1. Users are requested to keep the given Login id and password a secret.
2. Please change your password immediately. Thereafter change the password as frequently as possible, at least once in every three months.
3. Not doing 1 & 2 above may compromise security on account of hackers. Hackers can use the same account for getting vehicle information. **NIC is neither responsible nor accountable for this type of misuse of the compromised user accounts. Detection of misuse by automated monitoring tools may result in deactivation of the account.**
4. Users are requested, if possible, to install the personal firewall software to secure their machine.
5. Users are requested to install the Antivirus software with latest pattern update periodically and OS patches in their system.
6. NIC will take all possible measures to prevent data loss, however, due to unforeseen technical issues, if the same happens, NIC cannot be held responsible.
7. Applicant shall maintain the security and integrity of information received. **NIC is neither responsible nor accountable for this type of misuse of the compromised user accounts.**
8. Applicant shall maintain and update current list of persons and entities authorized to access the information or to whom such information may be disclosed. This list shall be made available to MoRTH/NIC upon request.
9. Applicant shall not use, sell, retain, distribute, provide, or transfer any restricted information or portion of such information accessed except as authorized by the Department/NIC.
10. The Department on behalf of MoRTH reserves the right to audit Applicant's compliance with set rules/acts.
11. The applicant understands and agrees that Department/NIC shall not be liable for any damages arising out of or in any way connected with applicant's access or use of information.

We accept the above terms and conditions.
